

Hockey Day Camp

For ages 6-12

If your young hockey player hungers for ice time, the Pettit National Ice Center's Hockey Day Camp is for you. This camp has been designed to develop and challenge each player in both individual and team preparations through monitored scrimmages.

Your developing hockey player will enjoy hours of daily ice time (half- & full-day campers), monitored scrimmages, on- and off-ice games and activities.

The Pettit National Ice Center's Hockey Day Camp is open to youth who possess basic skating skills and have gone through the Pettit's Learn to Play Hockey program, another equivalent course or team/program.

Please note: **Full hockey** equipment is required for the Hockey Day Camp.
